### Price List 2026

The »Preis der deutschen Schallplattenkritik« (German Record Critics' Award) is an independent body of 160 music critics and experts from Germany, Austria, and Switzerland who honor outstanding new releases on the recording medium market in 32 areas from classical to rock and pop to spoken word and cabaret.

**Advertise with our established seal of quality that has been known for fifty years!**

With this pointer to the award-winning recordings in your current production and your back catalog, you offer your customers useful guidance – and simultaneously support the honorary work of the jurors. All of the income from the sale of stickers, etc. goes into the public relations work of the PdSK, further benefiting your productions.

We do not charge any nomination fees. We give every production the chance to win an award on the Quarterly Critic's Choice or an Annual Award.
